

POSITION DESCRIPTION

Job Title:	Asst. General Manager	Reports To:	Head of HRM
Location:	Liz, Lida, G&F	Department: Section:	Human Resources Management Administration
Business Unit:	LDC Group	Job Grade:	7

1. Job Purpose (General summary of their function):

The coordination, monitoring, and control of operations are ensured to maintain a safe and healthy working environment across the organization. The highest standards of safety and security for people, assets, and the environment are upheld through close collaboration with team members. Full compliance with all applicable laws and the Company's Code of Conduct (COC) is strictly maintained.

2. Key Roles and Responsibilities (Key Accountabilities):

2.1. Daily Functions:

- 2.1.1 Supervise and monitor housekeeping activities to ensure cleanliness and proper upkeep of production floors and premises.
- 2.1.2 Ensure logistic and administrative support for the Medical Center, and follow up on medical attendance and emergency preparedness.
- 2.1.3 Ensure smooth operation and safety of Child Care facilities, and coordinate with the compliance team to meet legal and buyer requirements.
- 2.1.4 Supervise and inspect hygiene standards and food quality in the canteen, and ensure timely and orderly distribution of staff meals.
- 2.1.5 Monitor living conditions, safety, hygiene, and grievances within the dormitory.
- 2.1.6 Ensure proper reception and hospitality arrangements for guests, buyers, and visitors.
- 2.1.7 Allocate and maintain office space, furniture, fixtures, and equipment for all employees.
- 2.1.8 Monitor gate entry logs, guard deployment, and overall site security.
- 2.1.9 Conduct daily walk-throughs to assess basic safety setups and coordinate immediately with the maintenance team to resolve any identified issues.
- 2.1.10 Maintain positive relationships with employees and address grievances through effective communication.
- 2.1.11 Ensure cost-effective and reasonable use of office stationery, including printing materials, in alignment with the approved budget.
- 2.1.12 Develop and implement effective strategies and guidelines to optimize administrative costs, including stationery, overtime, security, canteen, transport, cleaning materials, and official entertainment expenses.
- 2.1.13 Maintain strong relationships with employees through grievance resolution, regular communication with the PC committee, and employee engagement initiatives such as team-building programs, events, competitions, and recognition activities.
- 2.1.14 Collect, renew, and update all required certificates, licenses, clearances, and NOCs in coordination with relevant government authorities.
- 2.1.15 Manage administrative functions within the approved manpower budget.
- 2.1.16 Oversee the day-to-day operations of the security force to ensure comprehensive security of all personnel and organizational assets.

- 2.1.17 Ensure proper arrangement of all C-TPAT and other safety audit requirements and achieve the highest audit standards.
- 2.1.18 Coordinate with the firefighting team and security personnel to develop and implement an effective fire safety management plan.
- 2.1.19 Ensure electrical safety through regular inspection and monitoring of all critical electrical systems in coordination with the maintenance team.
- 2.1.20 Ensure the availability of safe drinking water and maintain adequate reserve water for firefighting purposes.

2.2. Monthly Functions:

- 2.2.1 Monitor, follow up, and ensure submission of all weekly reports related to Admin Management, Security Management, and Wastage Management.
- 2.2.2 Review weekly menus and inspect dining hygiene standards.
- 2.2.3 Review weekly deep cleaning reports and checklists, conduct area-wise inspections, and assess reception decorum, office tidiness, and guest experience.
- 2.2.4 Monitor the usage and allocation of stationery, printing, and cleaning materials to ensure efficiency and cost-effectiveness.

2.3. Yearly Functions:

- 2.3.1 Track administrative costs, including canteen, dining, stationery, cleaning, and overtime, and recommend improvements for efficiency and cost optimization.
- 2.3.2 Review renewal and compliance timelines for licenses and NOCs, and coordinate necessary visits to government authorities such as Labor Office, DIFE, and Fire Service.
- 2.3.3 Prepare and submit comprehensive reports on administrative costs, food and dining expenses, and overtime to senior management.
- 2.3.4 Coordinate and oversee minor repair and maintenance activities for furniture, office spaces, dormitories, and canteen facilities.
